Ride Safe and Have Fun

Director

Hello, Follow Hog Members

The first overnighiter is in the books. We had a great turn out and the weather was good for most of the trip. There were a couple of close calls, just a reminder to keep a close eye on people around you. The hotel did a great job, from friendly service to cooking for everyone Saturday night. Thank you Stephanie for setting everything up. Thank you Steve for leading all the great rides that weekend. If you couldn't make that overnighiter, we still have two more this year so you still have a chance to make it to one.

Our annual Hog Pignic is coming up soon. It's May 15th at Choctaw Creek Park, we will have bike games, people games, a live band this year, and a lot of food, so make sure you get signed up with Brenda.

Assistant Director

Hello HOG Family,

I want to start off by saying that if you missed the Spring overnighter, you missed a great ride! We had a couple of close calls, with other drivers on the road, but all in all, it was the most fun I've had on a ride in a while! The hotel was great, and the owner smoked some of the best wild boar and venison sausages ever! He sat around with us that night and visited with us all and made sure he said hello to everyone!

I'm glad to see that we are getting quite a few new members in our chapter. I love to see it grow, and especially like seeing some younger folks joining up, so that we know the chapter will carry on in the future.

I hope to see everyone at the pignic on the 15th of May to join in the fun! We have a couple of our members going to play in a band for us as a special treat! We always have lots of fun!

Everyone be safe and keep the shiny side up!

Safety Info

Ned reached out to the folks at OSU-OKC and got this info back:

Our first 3-Wheel Ready to Ride (3WR2R) will be Saturday, May 14th, 8:00am to 5:00pm. . This is the free 7 hour 3-wheel motorcycle safety course that we may have told you about when you took the Basic consists of 5 exercises such as braking, swerving and cornering that are conducted at higher speeds and hears than used in the basic course. After the exercises, we will have some riding sessions on our private ¾ mile 2 lane road. The course has a minimum of classroom and no tests, just plenty of riding. All riders must have a current drivers license with the motorcycle endorsement, insurance in the riders name and some experience riding your own 3-wheel motorcycle. If you ride with a passenger, they can take the course with you. Don't wait too long to register because there are limited spots available and they will fill up quickly.

Also, from Edmond Police Department. Lt Todd Strader is the contact for the Edmond Police Department motorcycle classes. They have a Level 1 class scheduled for Saturday May 21st of this year and a Level 2 for Sunday May 22nd.

Both classes will be at Edmond Fire Station 5 located at 1-35 and Covell Road. You can find out more information and register for the classes at www.EdmondPD.com and click on 'Our Programs.' Please pass this information along to anyone who may be interested in attending.

Membership

Several new members have joined the chapter since our last H.O.T. meeting. We expect many of them to be with us May 4.

Our next New Member Orientation will be Saturday, May 14, at 9:30 at HDW. If you joined us in the past year and have not attended an orientation, please make your plans to join us Saturday. All members are welcome to attend whether you joined the chapter last week or 20 years ago. This is an opportunity to fellowship with our newest members and make them feel welcome to the chapter.

At this time, we have not planned a chapter ride to follow this meeting.

Stephanie and other officers are planning a special PigNic this year with some new activities and games. This is an opportunity to introduce family members and friends to the chapter. Be sure to sign up for the PigNic at our H.O.T. meeting or contact Brenda Payton.

Thanks to our members for your continued support by inviting guests to H.O.T. and our rides and activities.

Ride Safe and Have Fun.
